

CONFORMATION STEWARDS ONLINE TRAINING WELCOME

Welcome to the new CSOT package which is designed to allow for an easier path to become a Conformation Steward.

The package consists of three parts:

CSOT & Assessment Sheet

This is the main document that needs to be read prior to undertaking any Practical assignments. It also contains the Practical Assessment Sheet which is completed by your assessor every time you undertake a Practical Assessment.

SACA & ANKC Regs

The current version of these documents can be downloaded from the Dogs SA website (<http://www.dogssa.com.au/>) and the ANKC website (<http://ankc.org.au/>). Appendix 1 of the CSOT lists the Dogs SA Rules pertaining to Stewards directly and those they need to be aware of. ANKC Reg 5 SHOW relates to shows and the judging process. Both are referred to in the main document.

Sheet Work Files

This folder contains a fully marked catalogue for the Gundog Group, the Stewards Breed Sheets and Group Sheets for both the normal and optional system of judging. You should complete all these sheets prior to your first practical assessment.

Catalogue 1, Steward_sheet_cat1_G1-4, Steward_sheet_cat1_runnerup, stewardbreedsheet_cat1

Once you have read the documents and completed the Sheet work practice, contact me to advise when you are available to undertake either a ride a long or practical assessments and I will contact the Club Secretary to advise them. You cannot handle a dog on the same day as undertaking an assessment.

Please contact me at any time if you have any queries.
