

## APPLICATION FOR LITTER REGISTRATION

Breed/Variety of Breed:	Breeder's Prefix:
Email Address:	Breeder Membership Number:
Sire's Registration Name:	Sire's Registration Number:
Service Date:	

**TO BE SIGNED BY THE OWNER OF THE SIRE/SEMEN**  
 I/We as the owner/s of the sire/semen, solemnly and sincerely declare the above named dog served/inseminated the bitch as detailed. In the case of registered semen the ANKC Form 3 "Certificate of Use of Registered Semen" must be completed and signed by all parties including the inseminating Veterinarian and the Form 3 must accompany this Application for Litter Registration.

**FROZEN SEMEN - CERTIFICATE OF USE OF SEMEN IS TO BE ATTACHED TO THIS APPLICATION**

Owners:	Signed:	Phone:	Membership Number:
Address:		Post Code:	
Dam's Registration Name:	Dam's Registration Number:	Whelping Date:	

**DECLARATION BY THE BREEDERS**

I/We the Breeder(s)/Owners of the above named dog certify that to the best of my/our knowledge and belief, the above particulars are correct and that all progeny are listed on this application. I/we agree to become bound by the Constitution, Rules and Code of Ethics of the South Australian Canine Association Inc. trading as DOGS SA, and declare that the colour of the progeny being registered, on the Main Register, conforms to the breed's accepted colours at the time of registration and the information contained in this application is correct.

Owners:	Signed:	Phone:	Membership Number:
Address:		Post Code:	

Before you Submit: Please ensure that this form is completed fully and accurately (including puppy details on page 2)

**Completed forms: Dogs SA, PO Box 844, Prospect East 5082. OR Email: info@dogssa.com.au**

- I have included the Sire & Dam's registered names and number
- The service and whelping dates are filled in and correct
- All owners of the sire have signed the litter registration form
- All owners of the Dam are owners of the prefix and have signed the breeder declaration
- I have marked (Main or Limited) register for each puppy
- I have included all puppy names with second choice option (if no second choice Dogs SA will select a name)
- I have marked correct sex of all puppies
- I have included all puppy colours, including if applicable, the pattern & coat type (as per the ANKC breed standard)
- I have affixed the microchip barcode
- I have lodged Hip & Elbow scores (for breeds of which this is required)

**When transferring puppies at the time of litter registration use your 1st choice puppy name as the identifying name for Dogs SA staff, complete new owners details for puppies on page 3, leave blank if not transferring.**

Puppies which are not transferred to their new owners at time of registration must be transferred within 14 days of disposition.

**Important:** Main Register puppies cannot be transferred at time of registration if the breeder intends to indicate the puppy is "Not intended for export" or "Not to be used for breeding."

Breeder's Prefix (not to be written with each name)				Number of Puppies	Dogs:	Bitches:
Register Main/Limited	1st Choice Name (name only not prefix)	2nd Choice Name (name only not prefix)	Sex M/F	Colour (refer ANKC Breed Standard)	Tattoo/Microchip (no handwritten numers)

4						
5						
6						
7						
8						
9						
10						

Litters must be submitted within 18 months of whelping.

It is the responsibility of the breeder to transfer the puppy within fourteen days of disposition.

The pedigree must not be given to the new owner until it has been transferred in accordance with these SACA Rules.

**NAME**

- No more than 30 characters, including spaces and breeder's prefix.
- Refer to ANKC Regulations Part 6 for use of another prefix in the dog's name.
- Cannot contain numerals, apostrophes or hyphens.
- Duplicate names cannot be used with the same prefix.
- If your first choice name is refused and there is no second choice, a name will be selected for you.
- A name cannot be changed once registered

**Tattoo/Microchips – Handwritten microchip numbers will not be accepted. Adhere sticker with 15-digit number or attach a copy of the microchipping certificate.**

**Register – (default Main) Limited register is for progeny ineligible for conformation exhibition, not entire, not to be bred or exported.**

**Note – All living progeny must be listed on this form.**
