Judges Profiles

Mr Aramis Joy Lim

Australia/ FCI International judge.

I was born into the world of dogs, as my parents were both all-breed judges and breeders of German Shepherds, Boxers, Great Danes, Poodles, Mini Pins, and Dachshunds. From a very young age, I was involved in show handling these breeds.

I have been judging for over 30 years and have been very fortunate to have been invited to judge prestigious all-breeds shows and specialty shows, including the Eukanuba World Challenge, World Dog shows, and FCI section shows in over

40 different countries worldwide. I have judged in many countries in Asia, Europe, Scandinavia, South and Central America, and the Caribbean. I have also judged shows in Israel, different states in Canada, and the United States of America.

Since moving to Australia in 1984, I have been involved in the breeding and very successful exhibiting of Shetland Sheepdogs with my wife, Pauline. Many of our Shelties have won Best in Show awards in both All Breeds and Specialist shows.

At present we are showing a Bull Terrier.
We have also been involved with Miniature Schnauzers.

My current involvement with the South Australian Dog Community includes:

- Committee and life member of the All Breeds Dog Club of South Australia.
- Judges Liaison Officer of the Dogs South Australia BlackHawk Winter International Show.
- Chairman of the Dogs South Australia Dog and Puppy of the Year show.
- Elected member of the Dogs South Australia Executive Council.
- Member and examiner with the judges training committee of South Australia.

Mrs Carmen Milne

Property Classes

Terrier Specialist
Exhibitor and Breeder - Steppenwolf Staffordshire
Bull Terriers

I have been in the dog show world my entire life with my mother and father showing and breeding German Shepherd Dogs under the Steppenwolf Prefix.

In 1988 Alaskan Malamutes were our main breed for the next 10-15 years, breeding Best in Show and Best in Specialty show winners, and several champions.

In 2000 I took over the Steppenwolf prefix.

At the time I had my own Alaskan Malamutes, Siberian Huskies and Cairn Terriers. I decided to concentrate on the Cairns which evolved into my passion for the Terrier Group and my desire to become a G2 judge.

In 2012 i got my first Staffordshire Bull Terrier and from there i have Imported semen from two different dogs to improve my breeding program and from my 2nd litter, bred my first Specialty Challenge and Runner up Best in Specialty Show Winner.

From Ages 12 - 18 I was an active child handler winning many competitions as well as qualifying for the Royal Adelaide Show finals.
Judging Appointments in Australia and NZ.
